Dear Families,

The enclosed Family Handbook has been reviewed and approved by the Board of Directors and contains valuable information about center policies and procedures that we think you will find helpful.

Northfield Montessori follows the CDC and MDH guidelines related to COVID-19 procedures. Due to these continually-changing guidelines, the enclosed Family Handbook does not reflect the current COVID-19 protocols and procedures in place at our center. To stay current with our most recent updates to the center's COVID-19 response, please visit www.northfieldmontessori.org/center-covid-19. If you have additional questions or require further clarification related to the center's current policies or procedures concerning COVID-19, please contact Northfield Montessori's Executive Director, Jill Dereng, at jilld@northfieldmontessori.org.

We thank you for being part of our Northfield Montessori Community. We are grateful for you and your children, and we look forward to the bright future ahead!

Sincerely,

The Northfield Montessori Board of Directors
